Example pictures; machines  
equipped with accessories

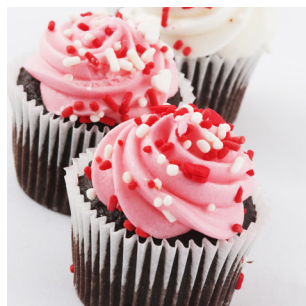

The Compact SV Series of depositors are work horses and can be fitted with the full range of Unifiller accessories and attachments. It makes a great all around depositing system with plenty of speed and power for various bakery and food depositing needs. The Compact SV is available in three options: Powerlift, Table Top and Duo.

## ADVANTAGES:

- Small footprint
- Speed and portion accuracy
- Full wash down - all food contact parts are dishwasher safe
- Tool free, quick cleaning and change-over
- Deposit range from 9 ml - 530 ml

## FEATURES:

- 5 product cylinder sizes available to meet your production requirements
- Compact Power Lift has a "one touch" system for raising and lowering of hopper
- Compact Duo is perfectly suited for the double-lane depositing over packaging lines
- Compact Duo with precise height adjustment to fit over conveyors, lines or to adjust the height for individual operators
