

## bazz.50

Enjoy working with the always-ready-to-use **bazz.50**

The **bazz.50** is a spraying machine with a built-in compressor and pump. Super handy, plug it in and get started!

- Only electricity needed
- Easy to clean
- Undercarriage (option)

→ [CHECK bazz.pro/bazz-50](https://bazz.pro/bazz-50)

## bazz.10/30

Two identical spraying machines; only the content of the pressure vessels differs. The **bazz.10** has a 10 liter pressure vessel and the **bazz.30** a 30 liter pressure vessel. Which one do you prefer?

The pressure vessel comes with a set of hoses with pressure regulator, pressure gauges and a spray gun. Filling is very fast because the top can be opened.

- Quickly fillable
- Simple & robust
- Undercarriage (option)
